SPARROW LAKE CAMP CAMBERSHIP FUND

The Campership Fund of Sparrow Lake Camp assists families who are unable to pay the entire camp fee for their children.

Please fill in the enclosed application. The Campership Committee will review your application and you will be notified if you are accepted into the program. Please note the following financial guidelines that will be in place:

FAMILY INCOME (before taxes)			
	Full Campership (2/3) of Camp Fee	Partial Campership (1/2) of Camp Fee	Partial Campership (1/3) of Camp Fee
# in house			
2	\$27,692	\$33,231	\$39,047
3	\$34,468	\$41,361	\$49,634
4	\$41,725	\$50,070	\$60,083
5	\$46,616	\$55,940	\$67,128
6	\$51,556	\$61,868	\$74,241
7	\$56,473	\$67,767	\$81,321

if household income(before tax) is under these above amounts
then this % is the maximum Campership available

Proof of income must be submitted using the notice of assessment for 2009 from Revenue Canada for both parents.

A person requesting assistance from the Sparrow Lake Camp Campership Fund must apply through the Camp Registrar. Please fill out the registration form and send a deposit cheque for \$100.00 for each child. Should your application be refused, the deposit cheque will be returned.

Please note that due to limited available Campership Funds, the Campership amount given to any one camper will be a maximum of two-thirds of the entire session's fee.

Both the custodial parent/guardian and two appropriate sponsors (Minister, Social Worker, and School Guidance Counselor) must complete the application form. Applications which are not complete, are not legible, are not signed by both the parent/guardian and sponsors, or are not sent with the proper financial information will be returned for completion.

Thank You,
